Art 10. Greg gives an update on Strategic planning workshop. Mitch Swart will reach out to the group bringing the idea to council.

Art 11. Mitch Swart provided an overview and update on the street sweeper purchase. The current street sweeper is a 1999 model, and the council discussed whether refurbishing a machine of that age is advisable. The city has budgeted \$135,000 for a new machine, while Sioux Sanitation Products quoted a price of \$150,000. Mitch asked the council whether the street sweeper should be replaced, and the council agreed that replacement is appropriate. As part of the maintenance program, the city should continue updating and upgrading equipment in a timely manner. Mitch will schedule a time to inspect the available 2020 model and place a hold on it if it is still available.

Art 12. The tree on 3rd Street near Craig Waterman's house is split and needs to be removed. The tree is located within the road right-of-way. Mitch Swart moved to remove the tree, and Dan Negen supported the motion. MSP

Art 13. With more residents installing pools in their yards, the Council discussed the City's responsibility. Under Minnesota State law, pools must be secured, and residents are responsible for ensuring compliance.

Art 14. The Council requested that Sarah Van Dyken contact Bollig with questions about the Lead Service Line project bidding process. Also ask for clarification on the engineering costs included in the bid compared to the explanation of how the \$50,000 grant would be allocated from our previous correspondence.
